GECO COATED COMPETITION BUCK SHOT

GECO COATED COMPETITION BUCK SHOT 12/65

Item no:	2400232
Bullet type:	Buckshot
Bullet Weight:	27 g / 0.952397 gr
Barrell Length:	700 mm
Shot size:	8 mm
Caliber:	12/65
Unit size:	25
Wadding:	Synthetic Wad
Lead:	Yes
Recoil:	Low
Hull material:	Plastic

HIGHLIGHTS

- 9 pellets of 8 mm diameter for the best possible patterns
- Nickel-plated shot. This reduces flyers even with tighter chokes
- Very tight pattern due to the use of a shot cup with short slits
- Short case length for higher capacity in tubular magazines
- Reliable function even in sensitive semi-autos
- Low recoil

DESCRIPTION

The GECO Coated Competition buck shot cartridges have been especially developed for IPSC matches which include mandatory buck shot stages.
